## Overdraft Information

Banner Bank encourages you to carefully track your balance to avoid overdrafts. You can monitor your account with ease by using Banner Bank Business Online Banking or Banner Bank Mobile Banking.<sup>1 2</sup>

We offer overdraft protection to protect you when there are not enough funds available in your account to cover the amount of a transaction. If you choose not to opt-in to overdraft protection, ATM and debit card transactions that would cause an overdraft will automatically be declined.

Overdraft protection transfers ..... No transfer fee will be charged. Transfers are generally in \$25 increments. If a full increment is not available, we will transfer the amount that is available to the protected account. Requires opt-in to link your accounts.

Overdraft item fee ..... \$30 for each item, based on available balance. Maximum of 4 overdraft item fees each business day.
